

## 150x210mm Label Automatic Labeling Machine Automatic Drum Printing And Labeling Machine

Our Product Introduction

for more products please visit us on [sg-packs.com](http://sg-packs.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: SG
- Certification: ISO9001
- Model Number: SG-L
- Minimum Order Quantity: 1
- Price: 10000USD
- Packaging Details: wooden box
- Delivery Time: 3months
- Payment Terms: TT, L/C, D/P

### Product Specification

- Product Name: Automatic Labeling Machine Automatic Drum Printing And Labeling Machine
- Condition: New
- Bottle Shape: Square Bottle, Round Bottle
- Advantage: Self-adhesive Stick
- Direction: Left To Right Or Right To Left
- Packaging Material: Plastic, Paper, Metal, Glass, Wood
- Label Type: Self Adhesive Material
- Input Voltage: 380/220VAC 50Hz/60Hz
- Highlight: 50Hz Automatic Labeling Machine, Labeling Machine 150x210mm label, Drum Printing automatic bottle labeling machine

## Product Description

### Automatic Labeling Machine Automatic Drum Printing And Labeling Machine

#### Product Description:

The Product Labeler is accurately locate the labeling area according to labeling requirements, and complete automatic label printing and pasting functions. It solves the instability factors of general labeling. The machine's label palms are available in various sizes, and various sizes of label palms can meet a wider range of label sizes, bringing more flexibility and expandability when label sizes or products change. Notify ribbon exhaustion in advance, record print head usage, estimate maintenance time, support multiple languages, input system design and development, easy communication, rich communication interfaces, and driver methods to transmit data.

#### Technical Parameters:

Dimensions(L*W*H)mm	1200X950X1700
Bidding speed	10-30sheets/minute
Labeling accuray	±2.0mm(depending on the flatness of the object to be attached)

Applicable paper roll inner diameter	φ75mm
Maximum paper roll inner diameter	φ350mm
Air Pressure	0.6-0.8Mpa
Applicable label size	20-104mm~150x210(according to the selected palm size)
Warranty	1 Year
Mains power	220V/50Hz;1.5KW
Supply Ability	Supply Ability

## Applications:

This product labeler is made of high-quality 304 stainless steel, ensuring durability and longevity. It can handle products with a diameter range of 15-120mm and has a weight of 550 KG, making it suitable for labeling a wide range of products.

The labeling machine is equipped with a PLC control system that enables easy operation and precise control. This system ensures that the labeling process is fast, efficient, and error-free, making it ideal for companies that require high-speed labeling.

The Automatic drum printing and labeling machine is suitable for various product application occasions and scenarios. It can be used in the food and beverage industry for labeling bottles, cans, and jars. It is also ideal for labeling pharmaceutical products such as medicine bottles, vials, and ampoules.

In the cosmetic industry, the labeling apparatus can be used for labeling bottles, jars, and tubes of various shapes and sizes. It is also suitable for labeling chemical products such as cleaning agents, detergents, and other industrial products.

This labeling apparatus is easy to operate and requires minimal maintenance. It can be customized to suit the specific requirements of different industries and can be ordered in quantities as low as one unit. The payment terms for this product are TT, making it easy for companies to purchase the labeling machine.

## Support and Services:

Our Labeling Machine product comes with comprehensive technical support and services to ensure optimal performance and customer satisfaction.

Our services include:

Installation and commissioning

Operator training and maintenance training

24/7 technical support and troubleshooting

Preventative maintenance programs

Equipment upgrades and retrofits

Spare parts and consumables

Customization and engineering services to meet specific customer needs

Our team of experienced technicians and engineers are dedicated to providing the highest level of support and service to ensure the Labeling Machine product meets your business needs and expectations.

### FAQ:

**Q:** What is the brand name of this labeling machine?

**A:** The brand name of this labeling machine is Automatic drum printing and labeling machine.

**Q:** What is the minimum order quantity for this product?

**A:** The minimum order quantity for this product is 1 unit.

**Q:** What are the payment terms for this product?

**A:** The payment terms for this product are TT (Telegraphic Transfer).

**Q:** Is it possible to customize the labeling process for specific products?

**A:** Yes, it is possible to customize the labeling process for specific products based on their size, shape, and other requirements.
