

Stainless Steel Semi Automatic Filling Machine For 20-40 Bottles/Min Capping Speed Liquid Filling And Capping Machine

Our Product Introduction

for more products please visit us on sg-packs.com

Basic Information

- Place of Origin: CHINA
- Brand Name: Stainless Steel Semi Automatic Filling Machine for 20-40 Bottles/min Capping Speed liquid filling and capping machine
- Certification: CE
- Model Number: SG-SAT
- Minimum Order Quantity: 1
- Price: 15000USD
- Packaging Details: wooden box
- Delivery Time: 3months
- Payment Terms: T/T, D/P, D/A, L/C
- Supply Ability: 10per year

Product Specification

- Product Name: Stainless Steel Semi Automatic Filling Machine For 20-40 Bottles/min Capping Speed Liquid Filling And Capping Machine
- Filling Type: Semi-automatic
- Control System: PLC
- Power Supply: 220V/380V
- Capacity: Customizable
- Bottle Size: Customizable
- Capping Type: Semi-automatic
- Operation: Touch Screen
- Highlight: stainless steel filling capping machine, stainless steel liquid filling and capping machine, 220v filling capping machine

Product Description

Stainless Steel Semi Automatic Filling Machine

Explosion-proof filling machine, the character designs, one operator, two barrels can be filled at a time. Put the barrel location can be adjusted according to workers operation habit to filling, roller conveyor, filling height is adjustable.

It is suitable for filling all kinds of large barrels, such as round barrels and slant-mouth barrels, a variety of discharging mode set, meet customer multi-usage, many kinds of filling, mobility, and guarantee the fast speed filling accuracy, good stability.

Reduce wastage, save cost and reduce operating pressure of workers.

Product Parameters

Filling Quantity	≤40kg	Barrel Specification	≤ diameter 300* height 400mm
Filling Index Value	1g, 2g, 5g, 10g	Filling Speed	4-14pcs/Min
Power	AC380/220 50HZ	Air Supply	0.6 MPa
Weight(kg)	350	Overall Dimension (mm)	700*500*1100

Customization:

Equipment of different models and sizes can be customized according to customer requirements

Support and Services:

Our semi-automatic filling and capping machine is designed to provide reliable and efficient performance for your filling and capping needs. Our product technical support and services include:

Installation and setup guidance

Training for operators and maintenance personnel

Regular maintenance and repair services

24/7 technical support hotline

Replacement parts and accessories

We are committed to ensuring the success of our customers and providing them with the highest level of support and service. Contact us today to learn more about how our semi-automatic filling and capping machine can meet your specific needs.

Packing and Shipping:

PACKING&SHIPPING

WHY CHOOSE US

We are a professional coating filling machine manufacturer.

The company has set up a product research and development center.

We guarantee the high quality of our products.

The company has professional and technical personnel to solve your problems.

MAIN PRODUCTS

FAQ:

Q: What is the brand name of this filling and capping machine?

A: The brand name of this machine is 20L semi-automatic capping filling machine.

Q: Is this machine certified?

A: Yes, this machine is CE certified.

Q: What is the minimum order quantity for this machine?

A: The minimum order quantity for this machine is 1.

Q: What type of containers can this machine fill and cap?

A: This machine can fill and cap containers with a volume of up to 20 liters.

Q: Is this machine easy to operate?

A: Yes, this machine is designed to be user-friendly and easy to operate.
